

BUY THE BEST BUT PAY LESS

TRAVIS PERKINS

the UK's leading trade builders merchants

We are proud to announce that the group's combined volume has enabled us to secure a massive discount agreement with Travis Perkins. In excess of 40% on many items.

This is the highest discount level that 2 of the main local Travis Perkins branches have experienced! We have the whole range available via the Material Matters website and can arrange for delivery directly to you. Just let us know what you want.

Counter service is also available.

Don't buy building supplies without asking us for a quotation.

Plant and Tool Hire

On average our members spend just over £2,000 per year on plant and small tool hire. Procuring the right equipment at the right price can be seen as a chore. Material Matters has secured another significant discount deal for its members.

If you make all of your enquiries through the group then you should expect a minimum 25% discounts off trade prices. Whatever you need please call 01252 621114
