

TOGETHER WE DRIVE A BETTER DEAL TO SOURCE THE RIGHT PRODUCTS AT THE RIGHT PRICE

BLUE IS THE COLOUR

Two exciting exclusive opportunities for Blue Dye in 2011. For those that are keen to use a renowned brand then we have set up a competitive 2011 rate of **£11.90/L** for Indicator Blue. Sold in 10L packages at £119.00!! (the average paid in 2010 for all Blue Dye was £17.00/L). High SG 1.18.—Large dye solid used. Superior to most on the market and at 2/3rds the cost. Let us know if you would like to take a trial order. Plus we have at least 25% off the whole AmTech range inc Raptor, DewDrop, Intake, Fertech etc.

For those that may be a bit more adventurous then we can offer our very own MatMat Blue Dye at an amazing **£9.70/L** (£97.00/10L—also available in 1L packs). Full technical spec available if you want to save even more money. Test result and references available. Almost 50% saving!

COURSE FURNITURE

A credible and well supported course furniture supply option from Material Matters on Par Aide and Pattison course furniture. Ask us to quote you on our extremely competitively priced discount arrangement with savings of at least 15%. We have complete support from “Mr Par Aide” Rob Catlin for anyone that would like an onsite consultation visit to discuss best value and product comparisons.

New Ever White metal hole cup – supplied at £24.70 each!

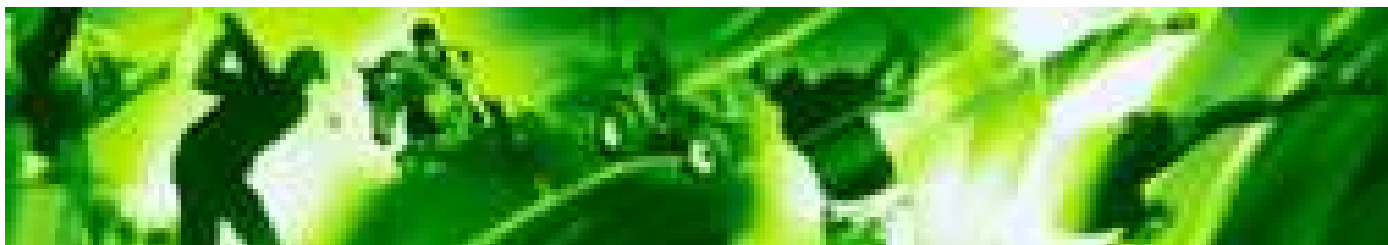

7Ft US Black/Yellow Flag Sticks - £20.50 each!

SUPERGRASS

Need grass seed—we’ve cracked it! Massive discounts and amazing prices on Barenbrug and DLF Trifolium (Johnson) seeds.

Let us quote for your 2011 needs – we are sure that you will be amazed at the savings you can make across the whole range.

Wet Wet Wet

Thank you for all your support with our initiative with GBR Technology. We are now approaching the "season" for Wetting Agent purchase and are very excited to confirm that we will be able to sell

Hydrozone Fairway at £7.95 per litre!

Prices are even lower for some of the big container purchases as we wanted to get the price as low as possible for all those that want to cover fairways and larger areas without having the massive expense for the big brand names.

Paul Morris, MD of GBR is a brilliant technical resource, so if you have questions regarding what you can be using to achieve the best results for the least expense then give him a call.

PROACTIVE PRODUCTS 2011—Even Bigger Savings

If you KNOW that you will definitely be buying any of the products listed below and you KNOW the minimum quantity that you will need then tell us right now. We will be reserving quantities of all of these products at the start of 2011 to give you a fixed price for the year at an even bigger discount than our day-to-day supplies. Delivered and paid for only when you need it.

Grass Seed	Chipco Green	Heritage	Primo Maxx
Banner Maxx	Carbendazim	Instrata	Revolution WA

Supplying Carbendazim will be a battle field this year – let us know early what you need in 2011 as we have a massive opportunity to supply you at a very very low rate.

ARCO v ProTec Many of you have been big fans of ARCO when it comes to protective wear, consumables, footwear, site equipment etc. Well we can now confirm that we can beat those prices so whether you need new waterproofs, boots, bin liners, blue roll, hand wash, in fact over 8,000 products then we have an exclusive discount deal—look at the website www.protecdirect.co.uk

We can offer you your own personal website login for shopping and buying, or you can put orders directly through the office if more convenient. Our prices are 20-30% cheaper than shown on the main website (which is already very low!). Contact us for your password.
